

1 Q. **Reference: 2024 CBA, Capital Expenditures and Carryover Report, page 37.**

2 It is stated "*The purchase of light-duty vehicles includes two fully electric vehicles, which were*
3 *received in 2022.*" Is the performance of these EVs meeting expectations? What was the cost
4 relative to internal combustion vehicles?

5

6

7 A. Please refer to Newfoundland and Labrador Hydro's responses to PUB-NLH-037 and part f) of
8 CA-NLH-063 of this proceeding.
