Re: Application for Approval of a Deferral Account for an Allowance for Funds Used During Construction – Withdraw Application

Newfoundland and Labrador Hydro ("Hydro") filed its approval of a deferral account for an allowance for funds used during construction on November 21, 2025. Hydro wishes to provide additional information and analysis in support of Hydro's proposals within the application and allow for greater understanding of the proposals by the Board of Commissioners of Public Utilities, parties, and the public. Hydro believes that the most efficient way to present this information is to amend and refile the application.

At this time, Hydro requests to withdraw the application and will refile the application early in 2026 with the additional information.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
