CONSUMER ADVOCATE INTERVENOR SUBMISSION

Re: Newfoundland Power Inc. - 2022 Capital Budget Application

Overview

1. Newfoundland Power Inc. (“Newfoundland Power”) filed the above-referenced application with the Public Utilities Board on May 18, 2021.
2. The Consumer Advocate (the “Consumer Advocate”) appointed as set out in Section 117 of the *Public Utilities Act* will intervene in the above referenced Application to represent these purposes:
 - a. To represent consumers in all matters pertaining to the Application;
 - b. To advocate that the Board apply the policy established under the *Electrical Power Control Act, 1994*, and in particular to ensure that the Application will result in power being delivered to consumers at the lowest possible cost consistent with reliable service;

- c. To call witness as required and attend conferences and hearings, as the case may be, and to file Requests for Information and written submissions, and to retain experts as required to provide evidence;
- d. And to address all matters relating to the foregoing, including any applications which may be necessary to Court of Appeal and the Trial Division.

THE ACT

3. Section 37 of the *Public Utilities Act*, RSNL 1990, c. P-47 (the “Act”) sets out:

Adequate service to be provided by public utility

37(1) A public utility shall provide service and facilities which are reasonably safe and adequate and just and reasonable.

- (2) The board may either with or without notice to a public utility make an order appointing a person to make examinations, investigations or tests for the purpose of ascertaining whether service reasonably safe and adequate and just and reasonable is being supplied by the public utility and may in the order make provision as to the remuneration and expenses the person is to be paid by the public utility where the board certifies that they are payable.

4. Section 41 of the Act states:

Capital budget of public utility

41.(1) A public utility shall submit an annual capital budget of proposed improvements or additions to its property to the board for its approval not later than December 15 in each year for the next calendar year, and the budget shall include an estimate of contributions toward the cost of improvements or additions to its property the public utility intends to demand from its customers.

- (2) The budget shall contain an estimate of future required expenditures on improvements or additions to the property of the public utility that will not be completed in the next calendar year.

5. Section 3(b) of the *Electrical Power Control Act, 1994* SNL 1994, c. E-5.1 (the “EPCA”) states:

Power policy

3. It is declared to be the policy of the province that

...

- (b) all sources and facilities for the production, transmission and distribution of power in the province should be managed and operated in a manner

(i) that would result in the most efficient production, transmission and distribution of power,

(ii) that would result in consumers in the province having equitable access to an adequate supply of power,

(iii) that would result in power being delivered to consumers in the province at the lowest possible cost consistent with reliable service,

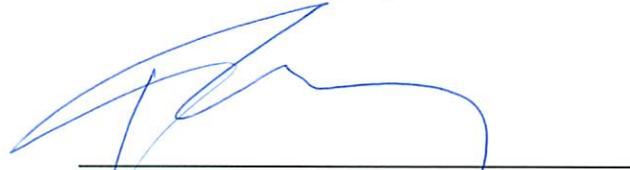

...

and, where necessary, all power, sources and facilities of the province are to be assessed and allocated and re-allocated in the manner that is necessary to give effect to this policy;

CONCLUSION

6. Based on the foregoing the Consumer Advocate’s participation in the hearing will include any and all of the following:
- a. Participating in technical conferences and public hearings;
 - b. Directing Requests for Information;
 - c. Calling evidence and experts as necessary and making submissions and other representations to the Board.
 - d. And to address any and all issues and matters incidental to our representation.

DATED at St. John's, Newfoundland and Labrador, this 22nd day of June, 2021.
