Dear Madams/Sir:

Re: Newfoundland Power Inc. - 2023 Capital Budget Application - Consumer Advocate's Request for Extension for the Filing of Requests for Information on Technical Conference

This is further to the Consumer Advocate's correspondence of September 12, 2022 requesting an extension to September 20, 2022 for the filing of requests for information on the Technical Conference.

Upon request from the Consumer Advocate, the Board adjusted the schedule for the review of Newfoundland Power's 2023 Capital Budget Application to allow the technical conference to be held at a later date. A further adjustment to the schedule for the filing of requests for information on the technical conference as requested by the Consumer Advocate will also be permitted. It is the expectation of the Board that the remainder of the schedule will not require adjustment; however, if required, adjustments can be discussed upon receipt of the requests for information.

The Board acknowledges that the Consumer Advocate does not consent to the slide deck presented at the technical conference being entered on the record.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Jacqui Glynn, by email, jglynn@pub.nl.ca or telephone (709) 726-6781.

Sincerely,

Cheryl Blundon
Board Secretary
