4 *“I note that in CA-NP-054c (relating to 2024 CBA), Newfoundland Power indicates*
5 *that 226,000 customer accounts experienced no unplanned distribution-related outages*
6 *at all in 2022.”*

7
8 **Please confirm that in CA-NP-054 (1st Revision) related to its 2024 Capital Budget**
9 **Application, Newfoundland Power corrected the referenced figure by clarifying that**
10 **approximately 88,000 customers experienced no service interruptions greater than**
11 **one minute during normal operating conditions but that those customers may have**
12 **experienced outages due to loss of supply or major weather events.**

13
14 **A.** It is confirmed.
