**Attention: G. Cheryl Blundon, Director of
Corporate Services/Board Secretary**

Dear Ms. Blundon:

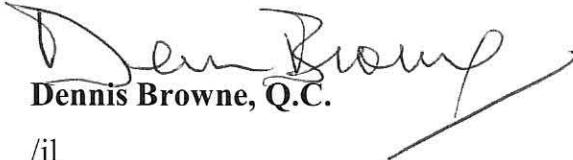

**RE: NLH Amended General Rate Application – Compliance Application
– Order No. P.U. 49 (2016) – Recovery of Revenue Deficiencies from
Island Industrial Customer Load Variation Component Credit Balance**

We have no further comments to make in reference to the above-noted matter. We will be seeking a full review of the Rate Stabilization Plan.

The domestic consumers need monthly or quarterly updates advising as to any changes in the plan. Timely information will enable consumers to govern themselves according.

We look forward to dealing with the Rate Stabilization Plan in Hydro's next General Rate Application.

Yours truly,

Dennis Browne, Q.C.
