**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services
and Board Secretary**

Dear Ms. Blundon:

Re: Hydro Amended 2013 General Rate Application – Compliance Application

We write on behalf of the Island Industrial Customer (IIC) Group to request an extension, to Monday, April 10, 2017, to make their submissions in the Compliance Application.

The nature of the issues raised by the Compliance Application require our further consultation with, and taking of instructions from, the members of the IIC Group.

Vale counsel has authorized the undersigned to advise that there is the possibility of a joint submission being made by the IIC Group and Vale. Therefore, it is requested that the extension for submissions sought above be granted to Vale as well.

We trust this is in order.

Yours truly,

Stewart McKelvey
