

- 1 Q. If the Board does not grant approval to Hydro to offset the portion of the Hydro
2 revenue deficiency attributable to uncollected specifically assigned charges in 2014,
3 2015, 2016 and 2017 from the RSP load variation credit balance allocated to the IICs
4 (or from any other credit balance in favour of the IICs), how would Hydro propose
5 to collect this portion of Hydro revenue deficiency?
