**Weekly Adjustment of Maximum Prices of  
Regulated Petroleum Products**

Effective 12:01 a.m. Thursday, September 23, 2010, the Public Utilities Board will set maximum prices for all regulated petroleum products in all areas of the province.

Maximum fuel prices will change as follows:

- all types of gasoline motor fuel will decrease by 1.1 or 1.2 cents per litre (cpl);
- diesel motor fuel will decrease by 0.1 or 0.2 cpl;
- furnace oil and stove oil heating fuel will increase by 0.11 cpl; and,
- propane heating fuel will increase by 1.0 cpl.

These maximum prices reflect the change in the average benchmark price of the products over the seven-day period ending Tuesday of this week. As an example, the average benchmark price for gasoline, as tracked on the New York Mercantile Exchange (NYMEX) and converted to Canadian dollars, decreased over the period by 1.01 cpl, resulting in a 1.1 cpl decrease, accounting for taxation and rounding.

The next scheduled price change is Thursday, Sept. 30, 2010.
